Current Message Series

People have strong opinions about issues. While this isn't unique to our time in history, we do have unprecedented means available to publish our opinion. As followers of Jesus, we believe God's will is revealed in Scripture. A good question to ask ourselves is "what does the Bible say about...?" The Bible gives us much needed guidance for the issues of our day.

Worship is made possible by the service of many people. Serving you this week and next:

FORGOT YOUR OFFERING ENVELOPE THIS MORNING? Offerings that are received without offering envelopes are counted as part of our "loose" offering and not credited against the individual numbered giving accounts; thus contributions not in a numbered envelope will not be displayed on your individual giving reports. The numbered envelopes are retained to verify contributions which may have been inadvertently missed on your giving statements. If you do not have your numbered envelopes with you and want your contribution to be credited to your account, please use one of the "Mission Of The Month" envelopes in the pews, write your account number and the purpose for your gift (general fund, memorial fund, etc.) on the front of the envelope, and enclose your donation in that envelope. If you have made donations in the past and not received proper credit, please provide a copy of your cancelled checks so credit can be applied to your account.

Thank you for your continuing support for the work of Trinity Reformed Church.
