You've been invited! Long ago God invited us into a relationship with Himself through His son Jesus Christ. When we gather to worship, we have the opportunity to experience God's presence, hear His word, and respond to this invitation. That's why we're glad you're here!

### Current Advent Message Series

#### Word Became Flesh

While the other three gospels begin with the life of Jesus as an event in time, John's gospel begins with an eternal perspective. However, John

quickly brings Jesus to us on earth with the powerful and poetic phrase "the Word became flesh and lived among us." We'll never grasp the full meaning of the eternal power of God present among us. Still we're compelled to ask, "What does it mean that God was with us?"

#### December 9: *Son*

Mark 1

Peter was never one to waste any time. Always prepared to jump right into the action, Peter's gospel recorded by the scribe Mark launches immediately into the life and ministry of Jesus. However, even Peter recognized that we do what we do because of who we are. Before He began His ministry, Jesus a baptized and pronounced "Son" by God. If God becomes flesh among us as God's son, what might it mean to us to be called children of God too?!

#### Kids are Welcome too!

Kids of all ages are welcome in the sanctuary. We also offer Nursery for newborn through 3-year-old. Four-year-old through 2<sup>nd</sup> grade children will be invited to participate in children's worship most Sundays September through May.

#### Something Special for your Children

Children & Worship was created to make a special place where Children can come to encounter God, to be still with God, and to listen to God. It is a place where Children come to nurture their spiritual life. Children & Worship is a spiritual formation approach that presents a joyful way for children to worship God.

## Today in Worship

### Word Became Flesh

**TODAY: *Baby***

Luke 2:8-20

The expectations for a Jewish messiah were so great, you could hardly imagine that this great person would begin life as a baby. Luke's gospel describes in simple elegance the circumstances and birth of Jesus. That this baby would change the world under these circumstances is so improbable, God's hand is clearly seen. Let's stand together in wonder that the creator of the universe would submit to the humility of conception and birth.
