Foreshadows of Jesus

For some people, the story of Christ's death and resurrection is familiar. However, for Jesus' original followers, passion week was a series of escalating crisis that ended in an unimaginable tragedy – Jesus hanging on a Roman cross. Is God still in control? Has anything like this ever happened before? As it turns out, it was all foretold by a prophetic past.

Worship is made possible by the service of many people. Serving you this week and next:
