Today in Worship

Remember

The challenges of the moment we're living in can seem overwhelming. The future can look even more daunting. This is nothing new. The Bible records many times when God's people were plagued with fear. One of God's gifts to His people was to

remember. Remember how God has been at work in the past, and anticipate His ongoing faithful presence and power in the future. Let's look forward to the future with faith inspired by the past.
